

"Counting Stars" By OneRepublic

1. Lately I've been, I've been losing sleep
2. Dreaming about the things that we could be
3. But, baby I've been, I've been praying hard
4. Said no more counting dollars, we'll be counting stars
5. Yeah, we'll be counting stars

6. I see this life like a swinging vine,
7. Swing my heart across the line
8. In my face is flashing signs,
9. Seek it out and ye shall find.

10. Old but I'm not that old
11. Young but I'm not that bold
12. And I don't think the world is sold
13. I'm just doing what we're told

14. And I I I I feel something so right by doing the wrong thing
15. And I I I I feel something so wrong by doing the right thing

16. I could lie, couldn't I, couldn't I?
17. Every thing that kills me makes me feel alive.
